Registration is quick and easy. Use the Registration Forms to enter your name, mailing address and email address. In addition, you'll be asked to create a memorable username and a secure password, and to select either email alerts, cell-phone alerts, or both.

If you choose to receive email, we will mail them to the email address that you provide when registering. If you choose to receive cell-phone alerts, we need to know your cell-phone carrier and your cell-phone number. Remember that your cell-phone carrier may charge you for each Prayer Alert message. Most cell phone carriers offer plans that allow you to receive a large number of text messages for a single flat-price fee. Prayer Link recommends that you sign up for one of these text messaging plans.

[back to the top](#) [How much does Prayer Link cost?](#)

During our testing phase, Prayer Link is provided without charge. Everything on our website is available to Registered Members at no charge. You may [Register Here](#). In the future, we may charge a modest fee to help us cover our expenses and expand the ministry. Also, we may offer a premium membership, one that is not supported by advertising.

[back to the top](#) [How much do Prayer Alerts cost?](#)

At this time, we do not charge a fee to send Prayer Alerts to you. However, your cellular phone service provider or your email provider may charge you to receive our Prayer Alerts.

We send at least three (3) messages, and perhaps more, every day. If you choose to receive cell-phone alerts, Prayer Link uses SMS (or Short Message Service) messages to send text messages to your phone. You need to understand that your cell-phone carrier may charge you for each of these messages. Most cell phone carriers offer plans that allow you to receive a large number of text messages for a single flat-price fee. Prayer Link recommends that you sign up for one of these text messaging plans.

[back to the top](#) [How do I cancel my Prayer Link Membership?](#)

You may cancel your membership at any time. If you wish to cancel your Prayer Link membership, please send an email requesting cancellation to [membership@prayerlink.com](mailto:membership@prayerlink.com). You must send this message from the email address your account is registered under.

[back to the top](#) [My PrayerLink beeps when it is cold out. What does this mean?](#)

When the PrayerLink gets cold (around 40 degrees Fahrenheit or 10 degrees Celcius) the battery voltage in the PrayerLink might drop to a point where it causes the low voltage alarm to sound. This is signified by a chirping sound. When the PrayerLink warms back up, it will stop sounding its low voltage alarm.
